

Integrated platform to support scientific publication

Plataforma integrada de apoio à publicação científica

João Mendes Moreira / Paulo Lopes

Head of Scientific Information FCT|FCCN

[0000-0002-9081-2728](tel:0000-0002-9081-2728)

6/9/2018

Why?

How?

What?

Why

1

More visibility and impact

2

More science, less
paperwork

3

Open Science paradigms

4

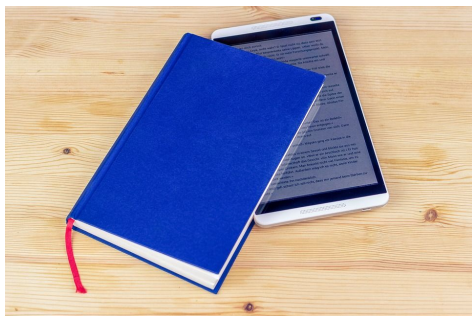

Recover the control of the
publishing system

5

More output with less
resources

Why - 1 - More visibility and impact

Print to digital

Open Access

Requalification
Added value services
Visibility and impact

<https://goo.gl/images/pjrC55>

Why - 2 - More science, less paperwork

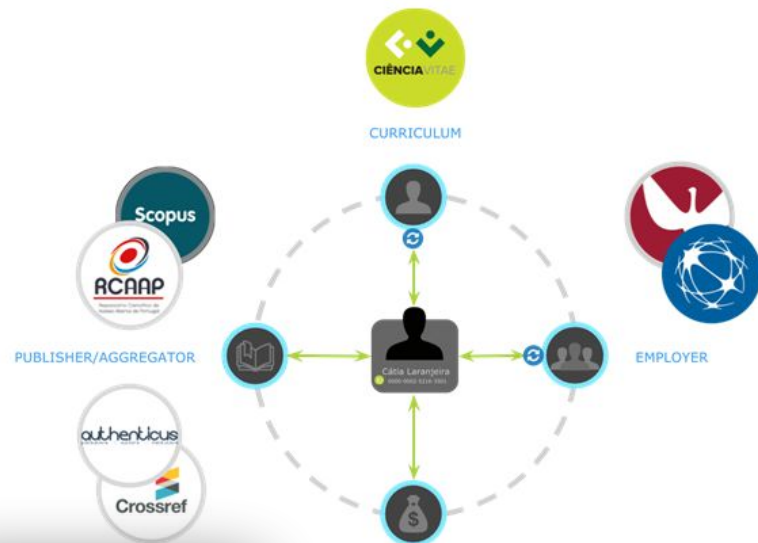

Integrated tools, systems and workflows

SARC - Serviço de Alojamento de Revistas Científicas

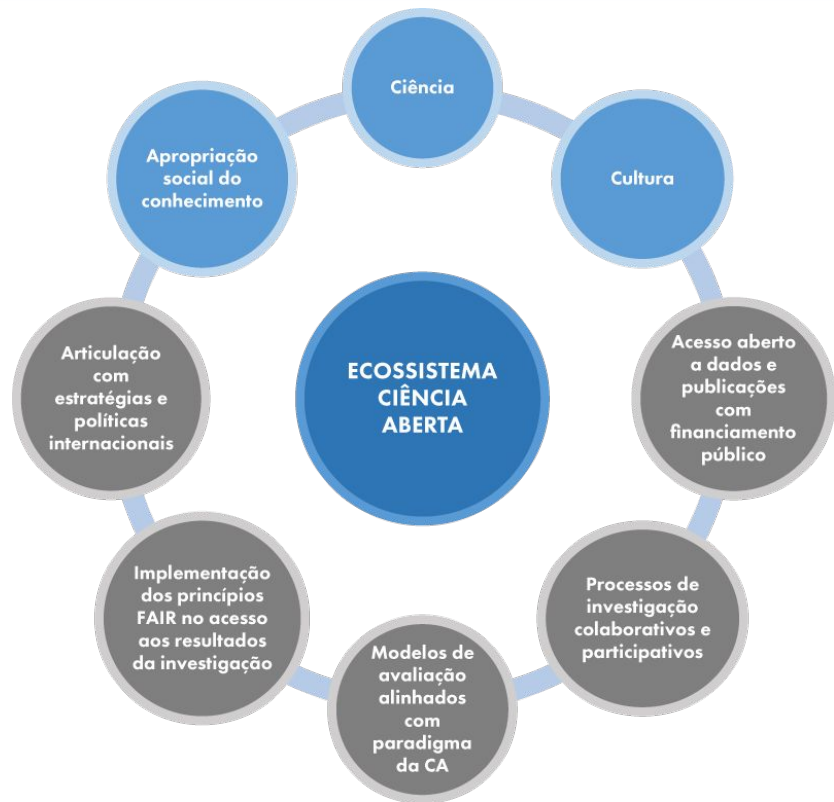

Input once, reuse many

Why - 3 - Open Science

- **Open Access**
- Open Peer Review
- Open Annotations

Why - 4 - Recover the control of the publishing system

Green (RCAAP), Gold (APCs, b-on), **OA national infrastructures**

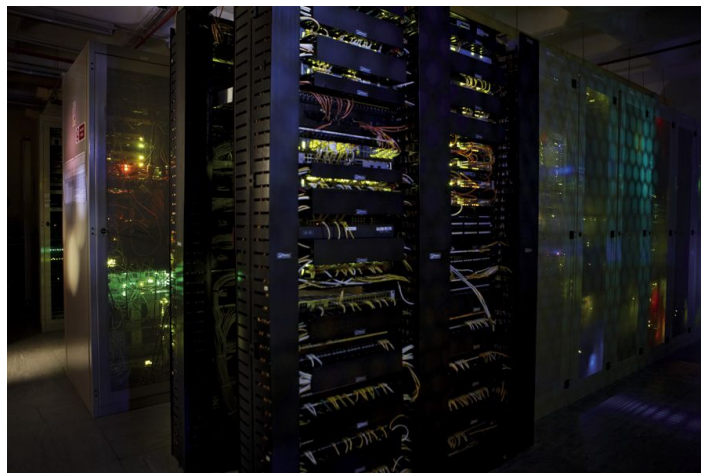

Why - 5 - More output with less resources

Universidade do Minho
Serviços de Documentação

Pilares de ação

- Conectividade
- Computação
- Segurança
- Colaboração
- Conhecimento
